The Financial Statements are compiled with the Schedules and the Significant Policies and Notes on Accounts adopting the Formats as per the National Municipal Accounting Manuals to the extent possible and in compliance with the Accounting Standards of the Institute of Chartered Accountants of India, to the extent applicable and possible, feasible and relevant to the Corporation.

The Financials are prepared for the Ghaziabad Nagar Nigam, Ghaziabad (GNN) as a whole consolidating the various Circles / Departments of GNN.

A. Significant Accounting Policies:

1. Grants

- a. General Grants, which are of a revenue nature, are recognized as income on actual receipt. Grants towards revenue expenditure, received prior to the incurrence of the expenditure, are treated as a liability till such time that the expenditure is incurred. Grants received or receivable in respect of specific revenue expenditure are recognized as income in the accounting period in which the corresponding revenue expenditure is charged to the Income and Expenditure Account.
- b. Grants received towards capital expenditure are treated as a liability till such time that the fixed asset is constructed or acquired. On construction / acquisition of a fixed asset out of the grants so received, the extent of liability corresponding to the value of the asset so constructed / acquired stands reduced and the amount is treated as a capital receipt and is transferred from the respective Specific Grant Account to the Capital Contribution.
- c. Amount proportionate to depreciation of the asset is credited to the Income and Expenditure Account every year, by way of transfer from the Capital Contribution. Grants received for non-depreciable assets are credited to Capital Reserve.
